

MessageSolution Compliance Archiving & eDiscovery Platform Backup for G-Suite Emails & Files

Supporting All G-Suite Plans: MessageSolution Compliance & Advanced eDiscovery Platform- The Preferred Solution

MessageSolution Advantages for Companies' Planning or Migrated to G-Suite

MessageSolution optimizes the licensing management for those companies using G-Suite with a compliance or eDiscovery requirement. Reduce costs over 50%. In the events of outstanding litigation and compliance audit, minimize migration restore risk.

MessageSolution archives from the decommissioned mail servers to minimize migration data volume & cost.

MessageSolution advantages include:

- Compliance eDiscovery Management For G-Suite Business Email Users
- "Search & Restore" by Date, Subject, Sender, Recipient from Your Private Outlook
- Unlimited eDiscovery/Record Management & Extended Legal Discovery Features
- "Search, Tag & Label", Export for Case Review, Redact by Case, Export to PST or PDF Files
- Minimize Compliance and Security Risks Associated with Unintentional Email Deletion, Inbox Attacks and Gmail Viruses
- Geographic Redundant Archive to mitigate the Risk of Single Vendor Lock-In

MessageSolution Advanced eDiscovery Platform for G-Suite

MessageSolution Advanced eDiscovery Platform is a preferred alternative solution that serves the interest of Email business users in G-Suite Plans. Equipped with more features, MessageSolution cost-effectively replaces Google Vault for email and file compliance archiving and eDiscovery.

MessageSolution emphasizes value for Case Management, Legal Hold Notifications, Outlook seamless discovery, and provides FREE data migration from all data sources to MessageSolution Cloud Archive eDiscovery Platform.
